8.15.010 Title. Recycling Ordinance for Recycling Regulations.

8.15.020 Purpose. The purpose of this ordinance is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in s. 287.11, Wis. Stats., and ch. NR 544, Wis. Adm. Code.

8.15.030 Statutory Authority. This ordinance is adopted as authorized under s. 287.09(3)(b), Wis. Stats.

8.15.040 Abrogation and Greater Restrictions. It is not intended by this ordinance to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.

8.15.050 Interpretation. In their interpretation and application, the provisions of this ordinance shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this ordinance is required by Wisconsin Statutes, or by a standard in ch. NR 544, Wis. Adm. Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the ch. NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.

8.15.060 Severability. Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.

8.15.070 Applicability. The requirements of this ordinance apply to all persons within the Village of Twin Lakes, Wisconsin.

8.15.080 Administration. The provisions of this ordinance shall be administered by the committee on cemetery, sanitation, recycling and seniors.

8.15.110 *Separation of Recyclable Materials. Occupants of single family and 2-to-4-unit residences, multiple-family dwellings and non-residential facilities and properties shall separate the following materials from postconsumer waste:

- A. Lead acid batteries
- B. Major appliances
- C. Waste oil
- D. Yard waste
- E. Aluminum containers
- F. Bi-metal containers
- G. Corrugated paper or other container board
- H. Foam polystyrene packaging
- I. Glass containers
- J. Magazines
- K. Newspaper
- L. Office paper
- M. Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins
- N. Steel containers
- O. Waste tires

8.15.120 *Separation Requirements Exempted. The separation requirements of s. 8.15.110 do not apply to the following:

- A. Occupants of single family and 2-to-4-unit residences, multiple-family dwellings and non-residential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in s. 8.15.110 from solid waste in as pure a form as is technically feasible.
- B. Solid waste which is burned as a supplement fuel at a facility if less than 30 % of the heat input to the facility is derived from the solid waste burned as supplement fuel.
- C. A recyclable material specified in s. 8.15.110(E) through (O) for which a variance has been granted by the Department of Natural Resources under s. 287.11(2m), Wis. Stats., or s. NR 544.14, Wis. Adm. Code.

8.15.130 Care of Separated Recyclable Materials. To the greatest extent practicable, the recyclable materials separated in accordance with s. 8.15.110 shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain, and other inclement weather conditions.

8.15.140 Management of Lead Acid Batteries, Major Appliances, Waste Oil and Yard Waste. Occupants of single family and 2-to-4-unit residences, multiple-family dwellings and

non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil, and yard waste as follows:

- A. Lead acid batteries shall be disposed of either through a licensed private company or through the Village's contracted service, if such service is available.
- B. Major appliances shall be disposed of either through a licensed private company or through the Village's contracted disposal service, if such service is available.
- C. Waste oil shall be disposed of either through a licensed private company or through the Village's contracted disposal service, if such service is available.
- D. Yard waste shall be managed on-site, or disposed of through a licensed private company, at the Village Yard Waste Recycling Facility (if available), or through the Village's contracted disposal service, to the extent such service is provided.

8.15.150 Preparation and Collection of Recyclable Materials. Except as otherwise directed by the Village, occupants of single family and 2-to-4-unit residences shall do the following for the preparation and collection of the separated materials specified in s. 8.15.110(E) through (O):

- A. Aluminum containers shall be rinsed clean of all food residues. Labels may be left on, and aluminum containers may be commingled with glass and plastic for curbside recycling.
- B. Bimetal or tin containers shall be rinsed clean of all food residues. Labels may be left on, and bimetal containers may be commingled with glass and plastic for curbside recycling.
- C. Corrugated paper or other container board shall be flattened, and may be loose, bundled or brown bagged for curbside recycling.
- D. Foam polystyrene packaging shall be disposed of through a private concern.
- E. Glass containers shall be rinsed, with lids and caps removed. Only glass bottles or jars used for food or beverages will be accepted for curbside recycling.
- F. Magazines shall be accepted for curbside recycling.
- G. Newspaper shall be accepted for curbside recycling.
- H. Office paper shall be accepted for curbside recycling.
- I. Plastic containers, including those made of PETE (marked #1), HDPE (#2), PVC (#3), LDPE (#4), PP (#5), PS (#6), or other/multiple resins (#7), shall be rinsed clean of all food residues. Labels may remain on the containers, and all rigid plastic containers may be commingled with glass and metal for curbside recycling.
- J. Steel containers shall be rinsed clean of all food residues. Labels may be left on, and steel containers may be commingled with glass and plastic for curbside recycling.
- K. Waste tires shall be disposed of through a private concern or through the Village contracted service to the extent such service is available.

8.15.160 *Responsibilities of Owners or Designated Agents of Multiple-Family Dwellings.

- A. Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in s. 8.15.110(E) through (O):
 1. Provide adequate, separate containers for the recycling program established in compliance with the ordinance. The number of recycling containers shall equal or be greater than the number of trash containers and at least one of the following shall be met:
 - a. The minimum total volume of recycling container space is equal to 20 gallons per week per dwelling unit.
 - b. The ratio of trash container volume to recycling container volume is at most 2:1.

- c. An alternative method that does not result in the overflow of a recycling container during the time period between collection of materials and delivery to a recycling facility.
 - 2. Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
 - 3. Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.
 - 4. Notify tenants which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.
- B. The requirements specified in A. do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 8.15.110(E) through (O) from solid waste in as pure a form as is technically feasible.

8.15.170 *Responsibilities of Owners or Designated Agents of Non-Residential Facilities and Properties.

- A. Owners or designated agents of non-residential facilities and properties shall do all of the following to recycle the materials specified in s. 8.15.110(E) through (O):
- 1. Provide adequate, separate containers for the recycling program established under this section. The total volume of recycling containers shall be sufficient to avoid overflow during the time period between collection of materials and delivery to a recycling facility.
 - 2. Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
 - 3. Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.
 - 4. Notify users, tenants and occupants which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.
- B. The requirements specified in 1) do not apply to the owners or designated agents of non-residential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 8.15.110(E) through (O) from solid waste in as pure a form as is technically feasible.

8.15.180 *Prohibitions on Disposal of Recyclable Materials Separated for Recycling. No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in s. 8.15.110(E) through (O) that have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

8.15.190 *Enforcement.

- A. For the purpose of ascertaining compliance with the provisions of this ordinance, any authorized officer, employee or representative of the Village, or authorized representative of the Village's contracted recycling service, may inspect recyclable materials separated for

recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee or authorized representative of the Village, or authorized representative of the Village's contracted recycling service, who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.

- B. Any person who violates a provision of this ordinance may be issued a citation by the Village Police Department to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.
- C. Penalties for violating this ordinance may be assessed as follows:
 - 1. Any person who violates s. 8.15.180 may be required to forfeit \$50 for a first violation, \$200 for a second violation, and not more than \$2000 for a third or subsequent violation.
 - 2. Any person who violates a provision of this ordinance, except s. 8.15.180, may be required to forfeit not less than \$10 or more than \$1000 for each violation.

SECTION II

All Ordinances or parts of Ordinances contravening the terms and conditions of this Ordinance are hereby to that extent repealed.

SECTION III

This Ordinance shall take effect immediately upon passage and publication as provided by law, and the Village Clerk shall so amend the Village of Twin Lakes Code of Ordinances, and shall indicate the date and number of this creating Ordinance therein.

Dated this 20th day of April, 2026.
